

# KENT STATE UNIVERSITY JEWISH STUDIES SPEAKER SERIES

## **“Religion, Radicalism and Anti-Semitism in the United States”**

The basis of all anti-Semitism in Europe and the United States is Christian teaching. The talk will discuss how this played out in the United States from colonial times until the end of World War II, and then show how the activities of Jewish organizations and the decline in Christian prejudice since the end of World War II have resulted in much greater tolerance and acceptance of Jews in this country.
