

The Jewish Studies Program at Kent State and
Kent Hillel invite you to a showing of

Europa Europa

Wednesday, April 6
8:00 pm

133 Bowman Hall

Entrance free of charge

“Europa Europa” tells the story of Solomon Perel, a Jewish boy who is separated from his family and attempts to survive World War II by concealing his identity. Posing as an Aryan, Perel joins the German Army and is taken into the heart of Nazi Germany to become a Hitler Youth. Although improbabilities and happenstance are cornerstones of the film, it is based upon a true story.

All are welcome!!
