NATHAN STOLTZFUS, Ph.D.

Please join us for a fascinating discussion of a moment of resistance against Nazi terror, when the gentile wives of Jewish men loudly demanded their husbands' return — and succeeded. Professor Stoltzfus teaches twentieth century European history at Florida State University, and received his Ph.D. from Harvard University. His book *Resistance of the Heart: Intermarriage and the Rosenstrasse Protest in Nazi Germany* (W.W. Norton, 1996) has been translated into French, German, Swedish and Greek.

All are welcome!
